

HEBREWS HONOR MEMORY OF DEAD

Annual Memorial Services Held
With Beautiful
Ceremonies.

With a short, simple and impressive service, the Hebrew Ladies' Memorial Association paid its annual tribute yesterday afternoon to the memory of its honored Confederate dead. Near the beautiful iron inclosure, with its intertwined swords, muskets and furred flags, surrounded by the glorious old straight visored cap, a small stand was erected and there Rev. E. N. Calisch, D. D., who conducted the service, took his place with the quartet from the Temple Beth Ahava.

Grouped around were members of the association, under the auspices of which the service was held, gray old warriors from the Soldiers' Home, representatives of the Hollywood and Oakwood associations, many descendants and relatives of those who slept within the sacred inclosure, and a detachment from Company B, of the Richmond Light Infantry Blues.

Simple Exercises.
The ceremonies began with the hymn, "We Remember Thee, O Brave Ones," and then followed a solemn and feeling prayer by Dr. Calisch. Another hymn was sung, and upon its conclusion Dr. Calisch arose and in his sonorous voice read the whole of the twenty-seventh Psalm of David, beginning with "The Lord is my light and my salvation," and the twenty-third Psalm, "The Lord is my Shepherd, I shall not want." After this the choir sang the hymn, "Immortality," the words of which were written by Dr. Calisch, and which is sung only during most solemn and sacred services at the Temple.

Dr. Calisch, in a few words, then explained that the association had decided to dispense with the set oration on many such occasions, and that he felt it necessary and becoming only to express his feeling that, in view of the common heroism of the mighty dead, of the universal brotherhood of bravery and of the sacred heritage of patriotic sacrifice left by those who, regardless of religion or creed, fought and died for their convictions. It was most fitting that the "Kaddish," the prayer over the dead, should be offered to the Almighty in the ancient language in which Isaiah and the prophets of old sent up their supplications and thank offerings to the God of grace. And he professed the "Kaddish" in all the majestic beauty of Israel's ancient tongue.

The choir and assemblage then sang "America," accompanied by the Blues Band, the complete playing of which was a splendid feature of the service. A squad fired the prescribed three volleys over the long-dead soldiers, and the solemn benediction was pronounced upon those who had gathered to render homage and honor to the Confederate's silent dead.

We Can and Do Sell Better Clothes

at the same or Lower Prices because facilitated to do so. Any logical thinker can readily understand that an institution of six big stores, making its own clothing and selling direct to the wearer without middlemen's profits, must be in a position to outdistance in value-giving any concern doing business without such mercantile advantages. It pays to buy and to wear "Burk" Clothes, which are sold to you direct by their makers.

PEANUT PLANT FIRE BURNING FIERCELY

Millions of Gallons of Water Poured on Flames
Without Appreciable Effect—Damage Already Exceeds \$250,000.

[Special to The Times-Dispatch.]
Suffolk, Va., May 17.—After withstanding the disintegrating force of fire and water for thirty-three hours the big peanut plant wall which separated the storage and factory departments of the big plant Peanut Company's plant yet was standing late tonight, and company representatives are hopeful that the bulk of the factory and machinery may be saved.

They are not entirely confident though, for they believed that the construction of the walls already collapsed and the building was in danger of falling. They were practically new and built according to insurance specifications. One of the five-story falling walls crushed the building used as a better-house and power plant.

The damage already done is estimated at considerably more than \$250,000, and in case the factory department goes the damage will be greatly increased.

The large single item of loss is on burned peanuts, more than 200,000 bushels of which have been consumed.

The fire last night was burning almost as fiercely as it was twenty-four hours ago. There is a peculiarity about the duration of

the large peanut blazes, which is not easily explained.

How streams have been pouring millions of gallons of water continuously since about 1 o'clock Tuesday, and there has been no appreciable effect on the flames.

Some of the firemen have worked almost to exhaustion, and have been given a respite by the fire department.

The loss of peanuts as affecting the world's visible supply already is being felt in the market. A large wholesale dealer said tonight he had already seen signs of the fire's effect in strengthening prices.

Smoke to-night was settling over the city much worse than last night, and objects cannot be clearly distinguished a block away.

The aroma of burning peanuts is becoming much stronger than on yesterday, and to some persons is nauseating. The scent carries many miles in the country.

There is a current rumor to-night that a negro life crushed beneath the walls, but this is unconfirmed.

Lines and the cessation of hostilities. Provisional President Madero was at work in his house here with Dr. Gomez and his father on the final terms of the peace agreement to be submitted to the Federal government to-morrow, when an Associated Press representative brought him the dispatch from Mexico City concerning President Diaz's intention of resigning soon.

"What day is it?" immediately asked Senator Madero.

"May 17," was the answer.

"Mueno" (good), commented the rebel leader, as he was urged to be excused to continue his work.

Now in Effect.
El Paso, May 17.—At 11 o'clock to-night Judge Carbajal received instructions from Mexico City to sign the general armistice which Provisional President Madero already had signed earlier to-day. A general armistice of five days is now in effect throughout Mexico.

People Rejoice.
Mexico City, May 17.—On receipt of official advice from Judge Carbajal that the armistice had been signed, the government to-night sent to every city and town which could be reached by telegraph a bulletin announcing the fact. The news was received with rejoicing.

SUPREME COURT OPINIONS.
Decisions Handed Down on Ten Appeals by North Carolina Term.

[Special to The Times-Dispatch.]
Raleigh, N. C., May 17.—Ten appeals are handed down by the Supreme Court in the batch of opinions handed down to-day. The list follows: Joyner & Long vs. Scottish Fire Insurance Company, Mecklenburg, affirmed; State vs. Rowe, Mitchell, no error; State vs. Yates, Mitchell, no error; Hollar vs. Telephone Company, Alexander, no error; Elliott vs. Southern Railway Company, McDowell, error; Reid vs. Reed, McDowell, new trial; Sherrill vs. West Union Telephone Company, McDowell, no error; Young vs. Lumber Company, Rutherford, affirmed; Henrietta Mills vs. McDaniel, Rutherford, affirmed; Smith vs. Buncombe, motion of defendant Miller to bring before the court certain exceptions not passed on by former decision, and motion of defendant Miller for certiorari denied.

Armistice is Signed.
Mexico, May 17.—A general peace armistice between the revolutionists and the Federal government was agreed upon at a noon conference to take effect immediately throughout Mexico. It was signed by Judge Carbajal, the Federal peace envoy, and by Venustiano Carranza, Jose Pino Suarez and Donato Madero, Sr., the members of the rebel peace commission.

This is the first general armistice agreed on since the revolution began last November, and is expected to call a halt to warfare in Central and Southern Mexico. It is believed that within five days a permanent peace agreement will be made.
